

Consultant Evaluation Form

Student Name: _____

Field/Practicum Location: _____

Consultant Name: _____

Semester: Fall Spring Summer 20_____ Final Semester Grade: Pass Fail

Please circle the number that best describes your experience of the student and what would be expected given his/her level of skill at the onset of the clinical placement. The recommendations and suggestions in the comments section below also provide us with valuable guidance for the student's future learning:

Use the rating scale detailed below when rating the student in each area. A rating of **"3"** represents a student who is performing **as would be expected** and is on target. Ratings of **"4" or above** should be reserved for a student who is excelling. A rating below "3" indicates need for concern.

1	2	3	4	5
Fails to Meet Expectations	Below Expectations	Meets Expectations	Above Expectations	Exceeds Expectations

I. APPROACH TO LEARNING

1) The student assumes greater responsibility for own learning.	1	2	3	4	5
